EVELYN SCOTT

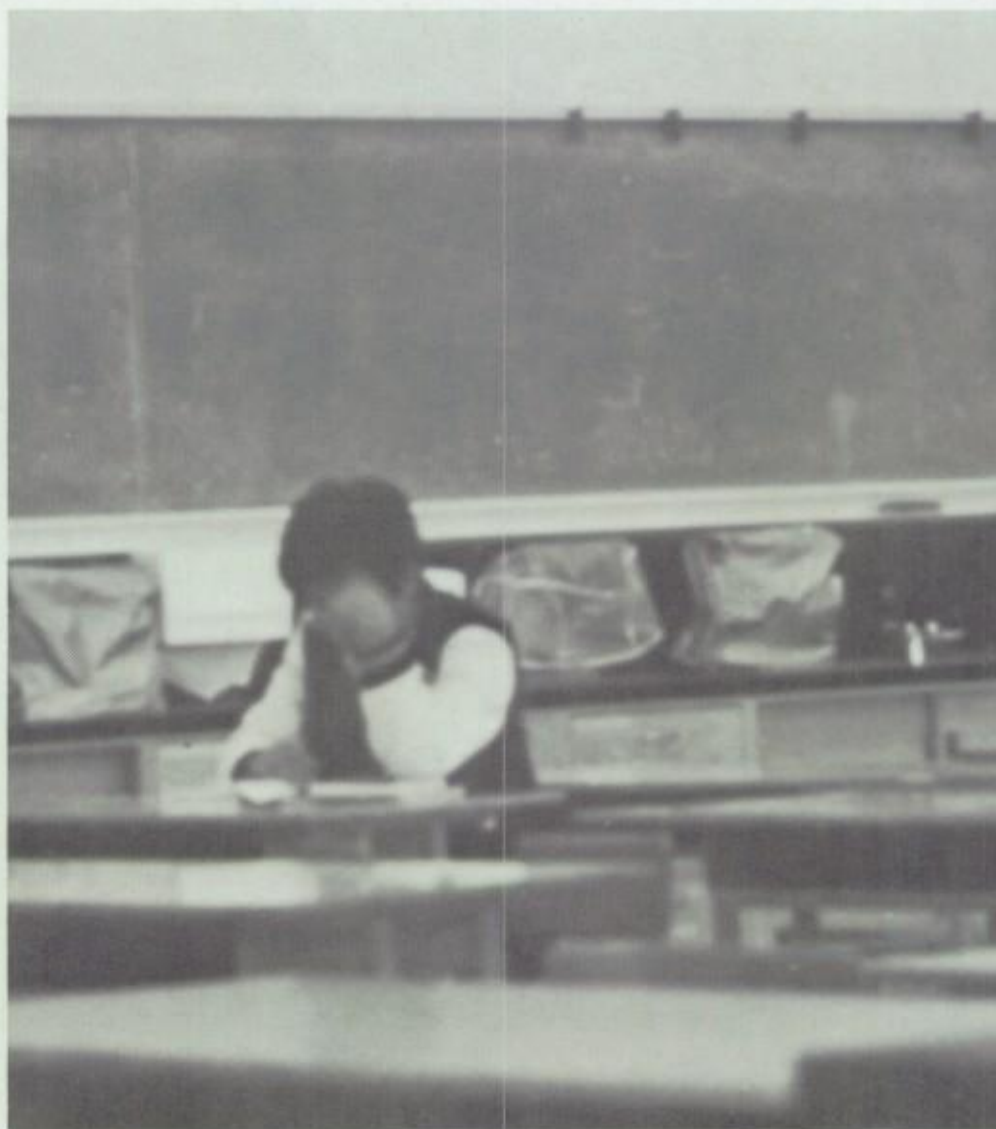

Oh! Lonesome Me

Everybody's going out,
And having fun.
I'm a fool for staying home
And having none
I can't get over how she set me free
Oh, Lonesome Me.

There must be some way
That I can lose these lonesome blues.
Forget about my past and
Find someone new.
I've thought of everything from A to Z
Oh, Lonesome Me.

—Neil Young

Let's Get Together

Love is but the song we sing,
and fear's the way we die.

You can make the mountains ring,
or make the angels cry.

Know the dove is on the wing
and you may not know why.

C'mon people now,
smile on your brother.

Let's get together,
try and love one another
right now.

Some will come and some will go,
and we shall surely pass.

When the one who left us here
returns for us at last;

We are but a moment's sunlight
fading on the grass.

C'mon people now,
smile on your brother.

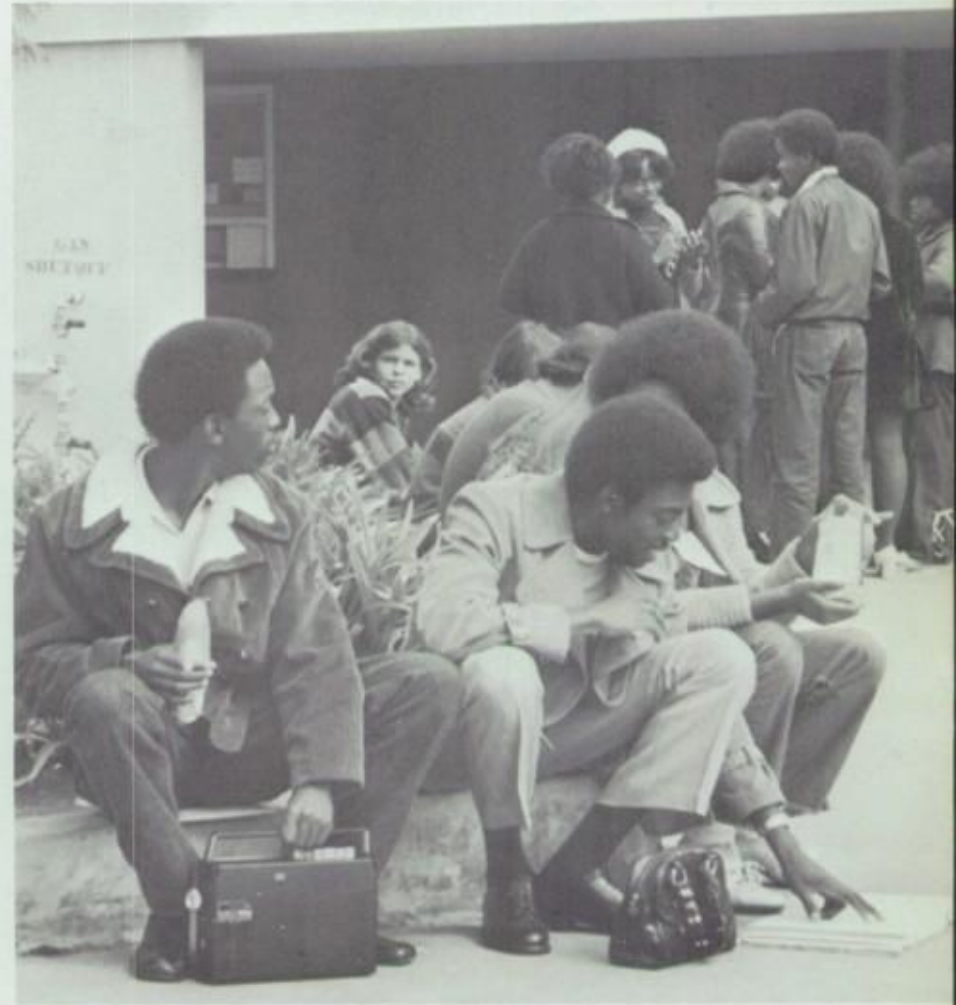

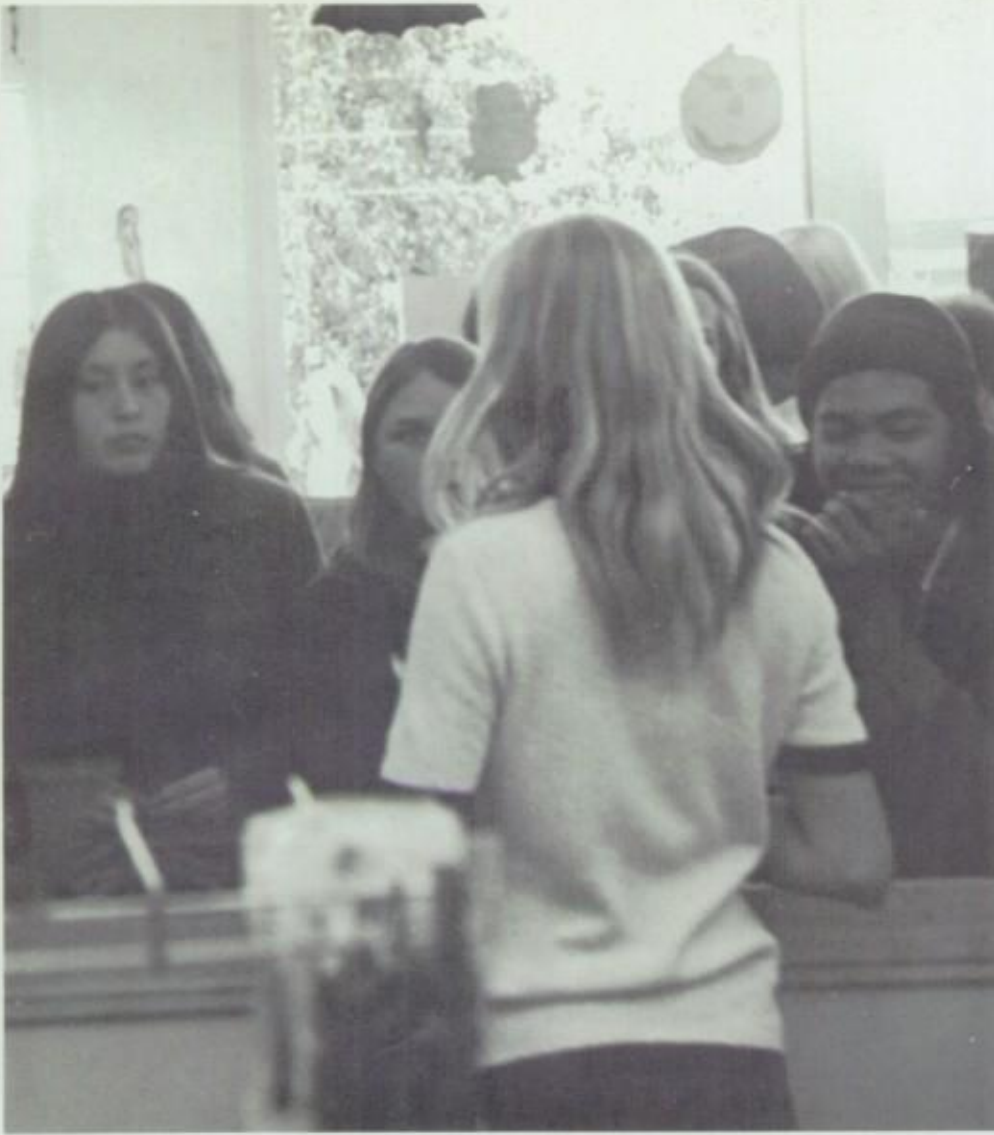

Let's get together,
try and love one another
right now.

GIRL AND LETTERMAN OF THE YEAR

TERRY GREGOR

Some people say that when you want to keep your school work up, you don't have any spare time for activities. This was not true for Terry. She was involved in many activities. Perhaps the most memorable was being chosen for Homecoming Queen. Her spirit and enthusiasm were evident through her High School years.

AL MURPHY

It's a football player, or is it a basketball player—maybe a Senator. He was all this and more; including Human Relations Facilitator and a coach at O'Farrell Junior High. Who said there's never enough time? Al Murphy found the time to do many things and do them well. The leadership qualities of some people just can't be hidden!

IT'S BEEN A LONG SEASON

Morse football of 1971, was not like Morse football. It was a losing season for the Tigers this year. Coach John Shacklett starting his first year as head coach, and along with a fine group of assistant coaches, brought new hopes of winning. But with a few fumbles here, and a few bad breaks there, they just couldn't keep the ball rollin'.

Their first victory came in the fourth game of the season against University. 20-13 was the score, in a game where, Reggie McKenzie gained over 100yds. rushing.

Morse was struck with key injuries this year, losing the Maier brothers. Terry Maier was out most of the season with a broken wrist, and Ross Maier was out with a neck injury. Others injured were Don Snowden, John Taylor, Bill Zettner, and Richard Gonzalez.

The second victory came on Homecoming 1971,

against Hoover. With the Tigers winning a 14-0 shutout over the Cardinals. Ralph Johnson was the star of this win, blocking a punt for a safety. Also making two interceptions, one was called back, after Johnson ran it back for a TD.

The final game of the season, ended in a "draw", 0 to 0. St. Augustine and Morse getting their "back-fields in motion," had a melee out in Aztec Bowl.

Morse did have great individuals like, Bobo Brady, Don Snowden, Michael L. Robinson, Michael D. Robinson, Elwick Butler, Rick Gallegos, Al Murphy, Terry Maier, and Ralph Johnson.

This season did not all end in failure, but with bright hopes for next year. Coach Shacklett has a one-year of head coaching experience behind him. There were many Juniors and Sophomores on the team, and J.V. was undefeated!

HOMECOMING 1971...

This year's Homecoming came home, with Morse whipping Hoover 14-0. Ralph Johnson broke a scoreless tie in the final period, by blocking a punt and covering it in the end zone for a safety. Then the Tigers scored two quick TDs. Reggie McKenzie went over from the one and Gerald Thomas hit Robert Snowden on a 39 yard pass play. Miss Terry Gregor was crowned Homecoming queen, 1971.

Cross Country is one of the most tiresome sports at Morse, running five miles a day in practice. Never giving-up, just keep on truckin' for a faster time. This paid-off for the Tigers, as they claimed a third place in the eastern league.

Mr. Perry, a biology teacher and coach, put together this team of fine athletes. Ron Rowden was the most valuable runner, placing second eastern league and 10th CIF, as a sophomore. Robert Gonzalez, Alden Waquie, Ocie Jones, and two more sophomores Billy Johnson, and Edgar Buenviaje were other standouts.

In the Mount Sac Invitation meet, Morse placed first in the sophomore division over all the schools in the county. This brings great hopes for the future Cross Country teams.

MVP Dean Drager jumps the long-horse

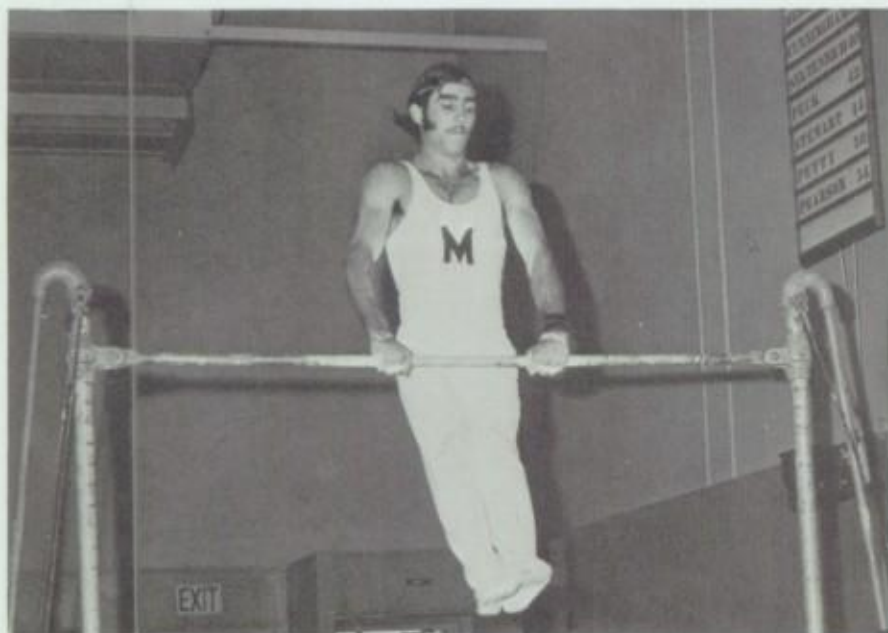

This year's Gymnastic team (coached by coach Robbins) suffered key injuries to their two top gymnasts, Gary Puckett, and Dave Drager. But with a lot of pride and determination, the team managed a strong 2nd place eastern league and a 5th CIF as a team.

Morse had the top rope-climber in the county, Nick Colabella, placing 1st CIF and league. Also breaking the CIF record with a 4.1 second, time. David Drager despite cast, placed 2nd CIF on the P-bars, and 4th CIF, side horse. Joe Robinson took a 4th CIF in the rope-climb. Dean Drager all-around man this year was the most valuable. Gary Puckett, Mike Colabella, Jim Mathis, Norman Owashi, Art Carrillo, and Ray Cole also contributed to the success of Tiger Gymnastics.

Coach Tom Williams

A CIF qualification for the Morse basketball team fell one game short, losing to San Diego 69-60, in the last game of the season. Coach Tom Williams and the players were very disappointed, but all was not lost. Led by most valuables, Zeke Sanchez and Keith Walker, the Tigers shot, rebound, and scrambled to a 14-13 record. Sanchez was second in the league in scoring, with Walker seventh. In the El Centro Tournament Morse placed second and in summer league play, they were first in their division.

This year's team had something that old Tiger teams lacked in the past, height. With Walker 6-4, and Mark Bernhard 6-8, up front that extra height was present and appreciated. But with this added height, the team lost some of its speed. Sanchez, Elwick Butler, and Sam Williams in the backcourt balanced it out, and the results were excellent. But with inconsistency, pneumonia, and a technical foul the team just couldn't get it together.

Coach Williams and Morse High have hopes for next year's team. With Williams a sophomore, and juniors Bernhard, Bill Moorehead returning, the Tigers might come out on top.

Coach Penacho and Coach Libby worked hard with this year's wrestling team. The result was a 4th place in the eastern league. The matmen from Morse sacrificed their time and appetite to wrestle as a Tiger, and in the meets they showed its effects. Led by most valuable, Bernard Miller, they roared to a 5-9 record. Other standouts were seniors Roland Haines, Jesus Olvera, George Herring, Frank Gonzalez, and most improved David Johnston. Next year's prospects are led by Bobby Martin, and Herbert Jackson.

Alan Simpson takes a "ball", or was it a strike?

The varsity baseball team showed great talent this year, in all aspects of the game. New coach, Robert Mendoza, came right-off the bat with a fine team. Great hitting, fine fielding, good pitching, and pride are what made this team "together". Mark Evans, Jodie Robinson, and Rodney McElvaine led the hitters. Jesse Fernandez, Don Snowden, and Alan Simpson headed the fielding. While Dave Dorosh, Jim Mathis, and Willis Watley mound the pitching staff. Although the season is still young, the team will probably make one of the greatest showings in Tiger baseball.

Coach Robbins

There is no doubt, that this year's tennis team is the greatest in Morse History. With the season only one-third through, the Tigers have a strong 5-1 record. They have already broken the school's record of consecutive wins, with five in a row, and are on their way to breaking the season win record of six. There are 12 more meets left on the schedule.

Ken Robbins, taking his second year as coach has been a great help to the success of this team. Top singles players, Mark Tarantino, Charlie Villegas, and Scott Parmer started this year's attack. With the two doubles tandems of brothers Henry and Herb Tuyay and Gerald Taitague and Norman Owashi sealing up victory. The team also had great depth in Richard Flores, Robert Downs, and Ed Linn. With the team's great spirit and determination, victories came easy.

TRACK

This year's track season started off with a "bang" At the moment their record is 6-0, and they are on their way to the CIF championships. In the J.C. Relays the tracksters placed first in their division, and placing high in the San Diego Indoors meet. Coached by Coach Carl Robbins, the Tigers showed strength in each event, from the 100 yard dash to the high jump pit. The Tigers had so many stars on the team, that these are just a few of them. In the 100 yard dash and the 220, they possess the fastest sprinter in the county, James Milton. In the 440, and the 880, there's the elite Al Ybarra, and in the mile, and two-mile we have sophomore Ron Rowden. In the shot-put Mike Nichols prevails, and in the high jump Keith Walker stands. The relay teams are two of the strongest in the city. Michael Smith, A.J. Pierce, Dwitt Milton, James Milton are the 440 combo. And Larry Rodgers, Ed Phillips, Ocie Jones, and Al Ybarra round the mile relay. Other standouts on the team are Ralph Johnson, Gerald Heard, Michael L. Robinson, Michael D. 'There's Nothing Like the Sun

There's nothing like the sun as the year dies;
Kind as it can be, this world being made so,
To stones and men and beasts and birds and flies-
To all things that it touches except snow;
Whether on mountain side or street or town.
The south wall warms me: November has begun,
Yet never shone the sun as fair as now
While the sweet last-left damsons from the bough
With spangles of the morning sun drop down
Because the starling shakes it, whistling what
Once swallows sang. But I have not forgot
That there is nothing, too, like March's sun,
Like April's, or July's, or June's or May's,
Or January's or February's—great days;
And August, September, October, and December
Have equal days, all different from November.
No day of any month but I have said—
Or, if I could live long enough, should say—
"There's nothing like the sun that shines today."
There's nothing like the sun till we are dead.

from "Both Sides Now"

Tears and fears and feelin' proud;
 To say, "I love you" right out loud;
 Dreams and schemes and circus crowds-
 I've looked at life that way.
 But now my friends are acting strange.
 They shake their heads, they say I've changed.
 But something's lost and something's gained
 By livin' every day.
 I've looked at life from "Both Sides Now"
 From win and lose, and still somehow,
 It's life's illusions I recall.
 I really don't know life at all.

Joni Mitchell
